**Campaign Spending:** [List of Filers](#)

It has been an honor to serve the 20th district as state senator for the last 4 years. With my 3 years as state representative, I have gained much knowledge about our legislature process over the last 7 years. I believe my experience will benefit our district in the years to come, and I look forward to continuing my work with the community as we deal with the issues before us. Traffic relief, excellence in education, and a safe, drug-free community are my priorities. The University of Hawaii, West Oahu and more parks and recreational opportunities are also areas I will address. Thank you for the opportunity to serve you.
